

Wheelchair without charge

We all need a

little extra help to get around at some time or other. But what if we need to hire a wheelchair?

You can borrow a wheelchair from the British Red Cross for up to 12 weeks, free of charge.

In most cases youâ??ll need to visit your local mobility aids service to collect and return a wheelchair.

For more details, visit [here](#). (Photo: Simon Rawles, British Red Cross)
