

SUMMER 2018

## Description

## BAKE YOUR HOME WITH US

**WELCOME TO OUR BIRTHDAY EDITION! LET'S CELEBRATE TOGETHER...**

'**B**ake your home with us' became our alternative slogan as we celebrated our 70th anniversary recently – with a huge cake in the shape of a house!

Our usual slogan is 'Make your home with us'. But to make our own 'home' for our anniversary year, the usual bricks and mortar were replaced with 30 eggs, 1.6kg of flour, 1.6kg of sugar, 1.6kg of butter – and a whole bottle of vanilla essence!

Summer came with a vengeance! We hope you've been enjoying the warm weather in safety and comfort. Meanwhile, we've been celebrating our 70th anniversary in wild and wonderful ways – including [a bumper eight-page edition of Roof – Roots!](#)

**Here's a look at some of the content:**

- an MMHS resident celebrating his 100th birthday in our 70th year;
- meet the new Chair of our board, who led the "Pink Floyd" of brass bands;
- how "Robo-Crop" has changed the lives of two of our residents;
- bless your home with a special edition of a popular prayer book;
- how to make the most of our free worship resources for you and your church.
