

## **WINTER 2023**

## **Description**

â??Tis the season for hibernation! While you hunker down and make yourself cosy and warm on these winter nights, here comes the latest *Roof â??nâ?? Roots* to keep you company.

And these are the articles to help you make the most of this time:

- meet our board chair Revd Alan Taylor whoâ??s 75 in our 75th year;
- practical tips on how to wend your way through winter;
- how our very own video producer found himself in the spotlight;
- why you should think about getting outside, even in the winter months.

These stories can all be found in the Winter 2023 edition of our regular news and feature publication.
