

SUMMER 2021

Description

Trained to cope with an ambush, Martin Swan couldn't find a fast getaway from God. Read Martin's story of how he journeyed from presidential chauffeur to Methodist minister – in [the latest edition of Roof 'n' Roots](#).

There are even more reasons to dive into the summer issue of our news publication – which also carries a magnetic postcard presenting our helpful friends at computer support group AbilityNet. Here are some of the other articles in [Roof 'n' Roots](#):

- call the contractor – how homes are being transformed across the country;

- free mail with email – what you can do to fix broken connections;
- powering up – how we're making sure your electrics are safe;
- precious post – personal letters become 'a hug in writing' in this pandemic.
