*Christ Is The Cornerstone*

There are no strangers here no barricades no walls  
 In Christ there is no east or west one Saviour for us all  
 Let prejudice and pride be gone let true forgiveness come  
 So we may build the house of God where all may live as one

Christ is our cornerstone the rock on which we build  
 May our lives be God's dwelling place and let this house be filled  
 With the Spirit of the living God where all may find a home  
 Faith is our foundation Christ is the cornerstone

So may God's Kingdom come to us from heaven above  
 No power on earth can separate God's children from His love  
 We build this house on holy ground with every song and prayer  
 Our voices joined together by the fellowship we share

Christ is our cornerstone the rock on which we build  
 May our lives be God's dwelling place and let this house be filled  
 With the Spirit of the living God where all may find a home  
 Faith is our foundation Christ is the cornerstone

All will be welcome here and all will find the place  
 The Father has prepared for us in mercy and through grace  
 From age to age His faithfulness is always sure enough  
 Through every step of life we are surrounded by His love

Christ is our cornerstone the rock on which we build  
 May our lives be God's dwelling place and let this house be filled  
 With the Spirit of the living God where all may find a home  
 Faith is our foundation Christ is the cornerstone

Faith is our foundation Christ is the cornerstone
